<u>Corrigendum to Advt. No. 14/2025</u>

With reference to our Advertisement No. 14/2025, following posts are included in addition to the existing posts:

Post	No. of posts	Location	Primary Qualification	Experience Profile (Post qualification, in the field of)
PE-C	2 (UR)	Mumbai (West Zone)	Mechanical	Proficient in AutoCAD for 2D drafting techniques and Auto CAD commands, Capable of 3D modelling and preparation of detailed engineering drawings, Ability to understand and interpret engineering drawings, P&ID, control logic drawings, process flow sheets.
PE-C (Cat.7)	2	Hyderabad	EEE/ Instrumentation /E&I	Preparing electrical schematics using AutoCAD Electrical or Ki CAD. System level testing of Control & instrumentation system. Experience in operating measuring instruments like power analyzer, oscilloscopes and differential probes etc. Experience in control panel wiring and instrumentation setup. Development of application logics for PLC in LD, ST & FBD.
PE-C (Cat.8)	5	Hyderabad	ECE/ETC	Control & Instrumentation systems /Power Supplies / PLC programming / Embedded systems /analog circuits / inspection, trouble shooting of PCBs, testing of modules etc. Familiar with Communication protocols (RS232/RS485/Ethernet), Project execution, commissioning and quality control practices. Material procurement, project documentation and communication skills.
PE-C (Cat.9)	1	Hyderabad	CSE/IT	Developing GUI based application and database management using simulation tool. Knowledge of Real time data acquisition and processing, Communication protocols (RS232 /RS485 /Ethernet). Programming knowledge of creating sockets, accessing networks using TCP/IP. API development for Interfacing to PLC. Knowledge in Programming Languages such as C, C++, VC++/.Net MS Access
PE-C (Cat.10)	1	Hyderabad	ECE/ETC/EEE/EE	Working in RF Systems, Knowledge in Micro-Controller programming. Conversant in operating and handling of RF test instruments such as spectrum analyzer, Network analyzer, Power meter etc. Certification/experience in soldering of micro components.
TO-C (Cat.20)	3	Hyderabad	EEE/ Instrumentation /E&I	Preparation of Electrical schematics (AutoCAD Electrical / Ki CAD), wiring diagrams, Testing & trouble shooting various I/O cards and control panel wiring.
TO-C (Cat.21)	3	Hyderabad	Mechanical	Cero and CATIA for 3D modelling, and AutoCAD for 2D drafting. Capable of 3D modelling and preparation of detailed engineering drawings, including General Assemblies (GA), Bill of Materials (BOM), mechanical assemblies, and detailed component drawings. Knowledge of raw materials, Geometric Dimensioning and machining processes

Post	No.	Location	Qualification	Job Description
TO-C (Cat.22)	6	Hyderabad	ECE/ETC	Control & instrumentation systems /Power Supplies / PLC programming / Embedded systems, PCB inspection & trouble shooting & testing of modules etc. Knowledge of Communication protocols like RS232/RS485/Ethernet etc. site Installation and commissioning
TO-C (Cat.23)	2	Hyderabad	CSE/IT	GUI application development, Real time data acquisition, database management, Communication protocols like RS232 /RS485 /Ethernet etc. Networks programming, API development Programming in C/ C++/.Net /VC++.
TO-C (Cat.24)	2	Hyderabad	ECE/EEE/E&I/ Electronics	Testing / Maintenance of Control & Instrumentation / Electronics & Communication systems / Radiation Instruments
TO-C (Cat.25)	1	Manuguru	CSE/IT/ECE/EEE/E&I or equivalent	Installation/commissioning of security systems.
	2	Bengaluru		
	1	Kollar (Bengaluru)		
APE-C	2	Hyderabad	ECE/EEE/E&I	Debugging and repair of assembled PCBs with active & passive components. Working knowledge in PLC. Integration and testing of control systems. Knowledge in AutoCAD engineering drawings

Walk-in selections to TO-C post (Cat. 25) will be held at Hyderabad.

Primary criteria, Emoluments & Selection method for APE-C posts:

Primary qualification	Qualifying marks	Experience after primary qualification	Age Limit (UR)	Consolidated Emoluments	Selection method (Refer clause V of Ad. 14/2025)
Diploma	At least 60% (aggregate)	One Year	30 yrs.	₹ 25,506/month [Shall be revised every 6 months in line with CLC (Central) guidelines]	A. Qual.: 20% of aggregate percentage in Diploma B. Rel. Experience: 30 (10 marks for initial one year experience & 10 marks for each extra year max. up to 30 marks including initial one) C. Personal Interview: 50

Revised reservations:

Post (HQ)	UR	EWS	OBC	SC	ST	Total
PE-C	9	1	4	2	1	17
TO-C/O-C	30	7	19	11	5	72
APE-C	2	-	-	-	-	2

Please Note: Other terms & specifications of the Advertisement are remain unaltered. Corrigendum / extension etc., if any shall be published only on our website: "www.ecil.co.in" in "Careers" column. Please visit our website regularly.

DGM (HR), Recruitment.
